

## **Clean Energy Transition Inc.- [www.transition.inc](http://www.transition.inc) Website Launched, includes new Corporate Update**

**TORONTO, ON | Clean Energy Transition Inc.** (formerly Rogue Resources Inc.) (TSX-V: TRAN) ("**transition.inc**" or the "**Company**") is pleased to announce that it has completed the final steps in its previously announced pivot to a new focus, looking for opportunities broadly across the energy transition. Inline with that pivot the Company has developed a basic website- [transition.inc](http://transition.inc), through which we will share information with investors and other stakeholders as our businesses develop.

In addition, Management has now posted a 30 minute Corporate Update to the homepage which includes: reflections on the Company's almost 40 year history, its current state and where the Company plans to focus from here. After its presentation, Management answers questions that have come in via the website and directly to [info@transition.inc](mailto:info@transition.inc).

### **About Clean Energy Transition Inc.**

Clean Energy Transition Inc., or *transition.inc* is focused on opportunities to generate positive cash flow, across the energy transition. The Company includes a Quartz division- focused on advancing its silica/quartz business with the Snow White Project in Ontario and the Silicon Ridge Project in Québec. The silica in high-quality quartz can be used to make silicon metal, a key component in both lighter, stronger car bodies and solar energy panels.

### **Cautionary Note Regarding Forward-Looking Statements**

This press release contains forward-looking information. Such forward-looking statements or information are provided for the purpose of providing information about management's current expectations and plans relating to the future. Readers are cautioned that reliance on such information may not be appropriate for other purposes. Any such forward-looking information may be identified by words such as "anticipate", "proposed", "estimates", "would", "expects", "intends", "plans", "may", "will", and similar expressions. Forward-looking statements or information are based on a number of factors and assumptions which have been used to develop such statements and information, but which may prove to be incorrect. Although the Company believes that the expectations reflected in such forward-looking statements or information are reasonable, undue reliance should not be placed on forward-looking statements because the Company can give no assurance that such expectations will prove to be correct. The forward-looking information in this press release reflects the current expectations, assumptions and/or beliefs of the Company based on information currently available to the Company. Any forward-looking information speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or expressly qualified by this cautionary statement.
