

Rogue Update: Sells Orillia Stone Quarry

TORONTO, ON / February 23, 2024 / Rogue Resources Inc. (TSXV:RRS) ("Rogue" or the "Company") is pleased to announce the sale of its Orillia quarry. This transaction was part of the Company's previously-announced sales processes for the Ontario stone quarries.

Over 15 quarters of operations, the Orillia quarry sold 53,828 tons of stone, for \$4.92M of sales for Rogue.

The property was sold for \$1.85M, netting the Company \$1.74M.

Rogue, as previously disclosed, has been managing a working capital deficit since 2019 and it remains committed to continuing to address its financial situation in an orderly manner.

About Rogue Resources Inc.

Rogue is a mining company focused on generating positive cash flow. Not tied to any commodity, it looks at rock value and quality deposits that can withstand all stages of the commodity price cycle. The Company includes **Rogue Quartz**- focused on advancing its silica/quartz business with the Snow White Project in Ontario and the Silicon Ridge Project in Québec.

Cautionary Note Regarding Forward-Looking Statements:

This news release contains certain statements or disclosures relating to the Company that are based on the expectations of its management as well as assumptions made by and information currently available to the Company which may constitute forward-looking statements or information ("forward-looking statements") under applicable securities laws. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "believes", "anticipates", "expects", "plans", "intends", "target", "estimates", "projects", "continue", "potential" and similar expressions, or are events or conditions that "will", "would", "may", "could" or "should" occur or be achieved. In particular, but without limiting the foregoing, this news release contains forward-looking statements pertaining to the following: closing of future tranches of the Private Placement.

The forward-looking statements contained in this news release reflect several material factors and expectations and assumptions of the Company including, without limitation: business strategies and the environment in which the Company will operate in the future; commodity prices; exploration and development costs; mining operations, drilling plans and access to available goods and services and development parameters; regulatory restrictions; the ability of the Company to obtain applicable permits; the ability of the Company to service its debt obligations; the Company's ability to qualify for government funded support programs; the Company's ability to raise capital on terms acceptable to it or at all; activities of governmental authorities (including changes in taxation and regulation); currency fluctuations; the unpredictable economic impact of the COVID-19 pandemic, including the acquisition of equipment and recruitment of human resources required for the sales expansion; the global economic climate; and competition.

The Company believes that the material factors, expectations and assumptions reflected in the forward-looking statements contained in this news release are reasonable at this time but no assurance can be given that these factors, expectations and assumptions will prove to be correct. The forward-looking statements included in this news release are not guarantees of future performance and should not be unduly relied upon. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements including, without limitation, those risks identified in the Company's most recent annual and interim management's discussion and analysis, copies of which are available on the Company's SEDAR profile at www.sedar.com. Readers are cautioned that the foregoing list of factors is not exhaustive and are cautioned not to place undue reliance on these forward-looking statements.

The forward-looking statements contained in this news release are made as of the date hereof and the Company undertakes no obligations to update publicly or revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws. This news release does not constitute an offer to sell or a solicitation of an offer to buy any securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933 (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons (as defined in the U.S. Securities Act) unless registered under the U.S. Securities Act and applicable state securities laws, or an exemption from such registration is available.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this news release.
